Learning from the past . . .

Times past will ever be in our memory, moments shared by all through learning. We've learned, not only from our books, but from our everyday experiences. We've all made mistakes, but we believe that because of these mistakes we have become much wiser. These are the bittersweet memories of CHS that we all hold so dearly.

Living
for today . . .

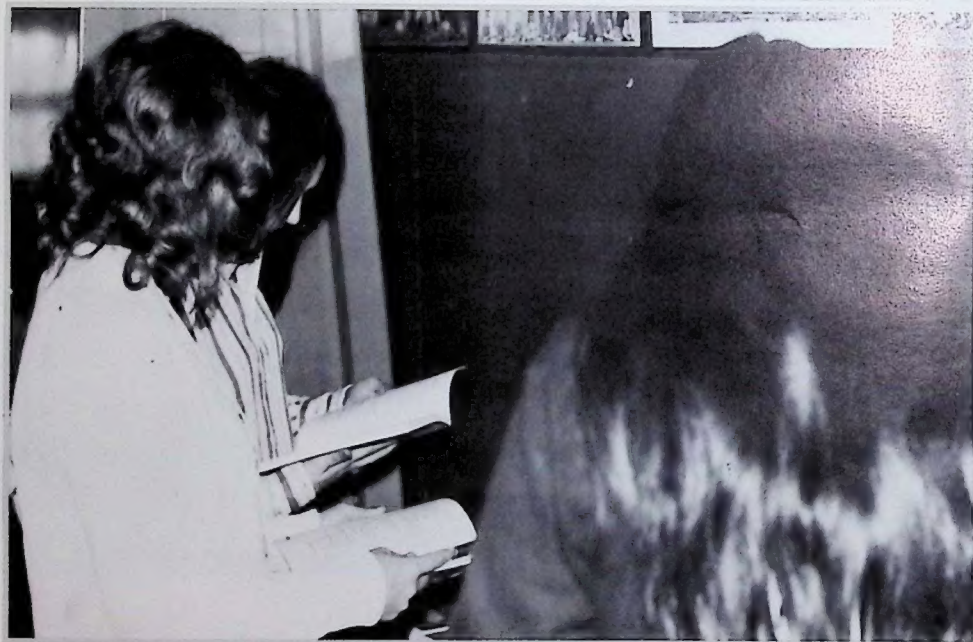

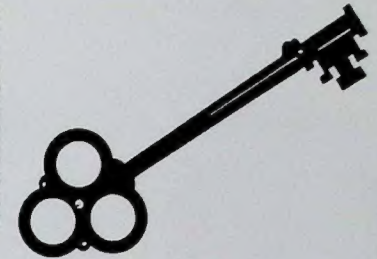

Our todays are built from our
yesterdays, memroies of the
past, dreams of the future. We
try to make the best of each
moment that we live, to do
something worthwhile, to do
something by which we will be
remembered.

Dreaming of tomorrow . . .

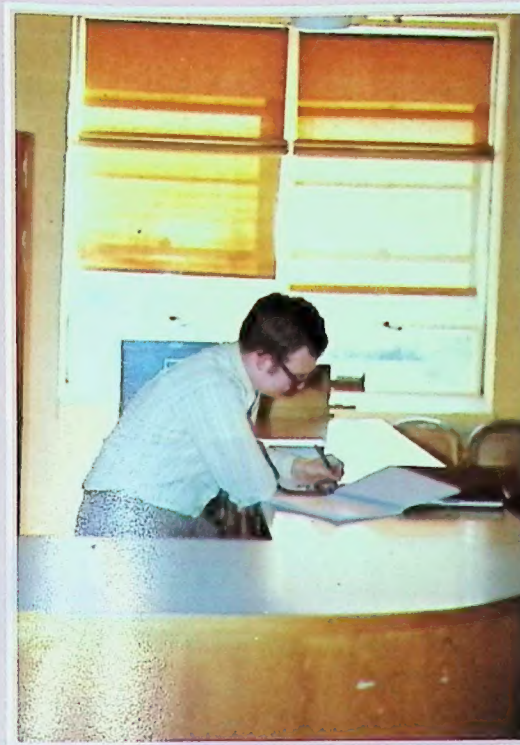

What does tomorrow have
in store for each of us?
College, marriage,
success, failure . . . We
have no way of knowing,
yet we hold the key to our
own futures in the way we
live and act today.

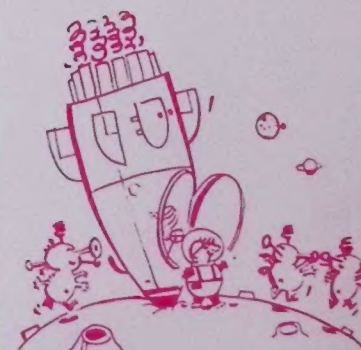

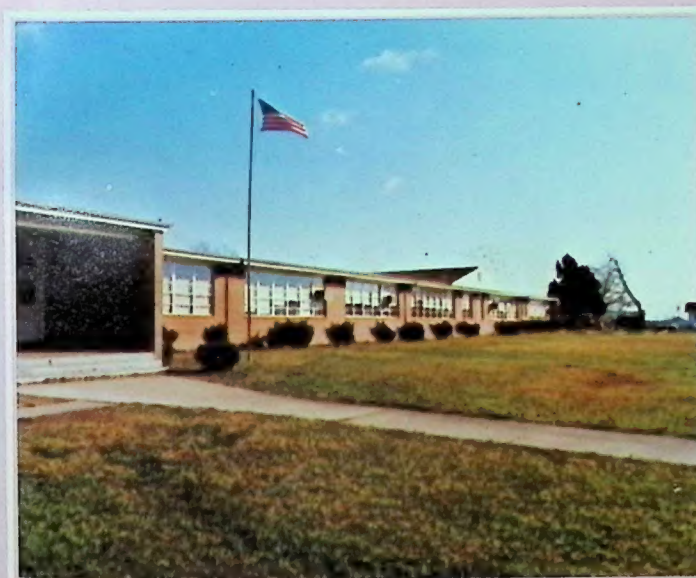

DEDICATION

We, the Senior Class of 1975, thank you, Mr. A. D. Jarrett, for the friendship, kindness, and understanding you have shown us through our years of laughter, learning, and tears at CHS.

The Clarksburg Future Farmers of America Livestock Judging Team completed a successful year in the judging of beef, cattle, swine, and sheep. They won the District contest and finished 2nd in West Tennessee, both contests held at Martin. They won 1st place at the West Tennessee State Fair at Jackson and finished the year by placing 3rd in the State at the State Contest in Nashville. Team members are (left to right) Ronald Haywood, Dennis Stokes, Dale Hester, Chuck Flowers, and Larry Paul Harris, Advisor. Chuck and Dennis are attending the University of Tennessee at Martin majoring in Agriculture.

ADMINISTRATION AND FACULTY

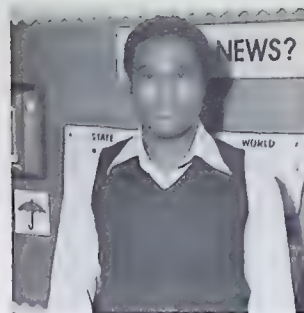

There are three things we need in order to make our lives count: a FAITH fit to live by, a SELF fit to live with, and a CAUSE fit to live for. It is my sincere belief that Clarksburg High School has provided for each of its graduates the opportunity to begin correctly his development of such a faith, such a self, and such a cause. The rest is up to him.

My greatest wish for each of the members of the class of 1975 is that, through the years ahead, your memories of associations and experiences during your years as a student here will support and increase your faith, your self-confidence, and your determination to justify the pride this community feels in calling you a graduate.

Joe T. Herndon
Superintendent

I have enjoyed my relationship as principal with you, the seniors of 1975. It is my sincere wish that you will be more ably prepared to face the problems and challenges of a changing society because of your affiliation with Clarksburg High School. I take this opportunity to congratulate you and wish you the utmost success in your future endeavors.

Those Wonderful Memories . . .

There have been special memories in all our years at CHS, but our senior year is, by far, the most memorable. We've had lazy days filled with sunshine and laughter, enjoying the fleeting moments of being together as time quickly passed. These few carefree days broke the routine of everyday classroom studies and made us value each other's friendship much more.

THE 1975 SENIOR CLASS PROPHECY

AS SEEN BY
THE 1976 SENIOR CLASS

In the years to come DR. DALE "STORK" SEAGRAVES will open a hospital in the old Post Office building in Yuma where he will be delivering babies. He plans to hold the record for delivering 16 babies in 2 minutes and 24 seconds.

Within three years after graduation, MR. JAMES "RADAR" REED will open a radio shop in the Home Demonstration Club building in Westport. He doesn't have to use any antennas; he simply holds the wires to his ears and sends out radio waves. These very stout waves have been recorded as far away as the Westport railroad.

In the next five years, TERRY THOMAS will be the world's champion bear wrestler. He has a strange way of keeping in shape; he goes out and wrestles down trees.

We heard a strange thing about BILLY TUCKER. The year he graduated he started drawing Social Security.

In the years to come, we see BECKY PHELPS' name in the Guinness' Book of World Records, for doing a dance called the Robot for 179 hours non-stop.

NANCY HESTER has bleached her hair blonde and changed her name to "Little Lulu." She will become the World's Championship Wrestler.

MARTHA VESTAL will marry Darby Dalton after graduation. She will join him as D.J. on Radio Station 222, where they will gargle Listerine together.

MR. "COOL" DOC BARTHOLOMEW will be a contestant in the Mr. Cool Contest, but he will be narrowly defeated by a record-breaking, 4-time winner. Frosty the Snowman.

In the years to come, DALE HESTER will be the proud President of Natchez Trace Farms. He and his outstanding bull, Pumpline, will be happy roommates in the Natchez Trace barn.

We hear that LYNN WALKER will be named head nurse at Yuma General Hospital.

RONALD HAYWOOD will have a shop behind Haywood's Grocery in Yuma. He will manufacture term papers, which he will sell there.

GARY GOOCH will invent a new kind of chocolate milk: it will have a barbecue flavor. He will also invent a chocolate flavored potato chip.

In the near future, we shall hear of a bad thing that happens to the Adams Family: Lurch dies. But we are very happy for RONNIE STEWART, because the television company says that he is tall and has a voice just perfect for the part. Congratulations to Ronnie "Lurch Adams" Stewart.

PERRY BLAKEMAN will be the news reporter for Concord. It's very strange, but it seems that Perry is at the scene of every accident.

DAVID WAUGH will be running for Mr. America in 1979, but he will be badly defeated by Fonzerello of "Happy Days."

In the near future, MOONDOG WILLIAMS will be the proud foreman at Pug Vickers. He will change his name to Pug "Mucus" Williams.

We understand that with the help of her former classmate, Ronnie "Lurch Adams" Stewart, RHONDA MILAM will land a job on the set of the "Adams Family" where she will style the hair of Morticia Adams and Cousin "It."

PAM SMOTHERS will work for the government as Secret Agent #000. She will have one problem, though: she reveals her day's work each night when she talks in her sleep.

We understand that in 1985 DEBBY MANESS will still be in the process of trying to get into Jackson State's lab technician course. If at first you don't succeed, try, try again.

We hear that "LIL WINK" BENNETT will take over Bennett and Baker's Garage and will be one of the finest grease monkeys this side of Kalamazoo, Michigan.

PRECELY OWENS is still telling it, but she's made the "BIG TIME" now. She is the hostess of Soul Train and editor of Ebony magazine.

Immediately after graduation, CINDY STOKES will join Ringling Brothers, Barnum and Bailey Circus where she will do anything from training monkeys to riding trick elephants.

And speaking of the circus, quiet, shy DONNA SPRINGER will change. She will become the ring-mistress for Barnum and Bailey's Circus.

MARY BUTLER will do well. She will be the proud owner of Slinky Hogs, Inc., and become one of the largest hog dealers in Concord, and heavy competition for Larry Paul Harris of Shiloh.

We won't see much of MYRON GURLEY until several weeks after graduation when we will turn on our television sets and see him leading the march of weiners and singing, "Oh I wish I were an Oscar Meyer Weiner!"

STANLEY HODGE will be a candidate for governor. His motto will be: "We need a ray of Hodge sunshine."

ION LEWIS BAKER shall receive a nice gift for her 25th anniversary: a silverplated footstool to stand on to kiss Randy goodbye each morning.

B. J. CULPEPPER HESTER shall open a new factory in town which manufactures pajamas. She will call this business "B. J.'s P.J.'s."

In the near future, RICKY BLANKENSHIP will invent a formula that dissolves light poles before you hit them.

THE LAST WILL AND TESTAMENT OF THE 1975 SENIOR CLASS

- I, James Reed, do hereby bequeath my style, manners, grace, charm, and knowledge to Harold Orr.

- I, Ronnie Stewart, will my violent temper to Miss Sarah.
- I, Perry Blakeman, do hereby leave a zipper to Ivan Hodge to sew on his mouth.
- I, Cindy Stokes, leave the dirty looks and dirty words that I received from Mr. Newmon to whoever keeps next year's scorebooks.
- I, Mary Butler, leave my ability to sleep on the bus to Becky Davis.
- I, Dale Seagraves, wish to leave my chemistry notes to next year's class to study during the summer, the fall, and the winter so that they may pass in the spring.
- I, Myron Gurley, leave a dead cat to Mr. A. D. Jarrett for next Halloween.
